APRIL 1 - 4, 2019 | RENAISSANCE ORLANDO AT SEAWORLD | ORLANDO, FL

WWW.POWDERCOATING.ORG

Dear PCI Members and Powder Coating Industry Suppliers,

Since 1988, the Powder Coating Institute has hosted an annual event that focuses on providing education for all those using powder coating and those interested in learning more about the technology. Over the years, the event has taken many forms. With a strong commitment to continuous education of the powder coating industry, PCI will host its Powder Coating 2019 Technical Conference from April 1 - 4 in Orlando, FL. This event will consist of the following:

- **PCI's Powder Coating 2019 Technical Conference**
Evaluations from last year's Technical Conference were outstanding! Attendees will once again gain valuable and innovative information at the Powder Coating 2019 Technical Conference.
- **PCI's Powder Coating 2019 Tabletop Exhibits**
A tabletop exhibition will take place on April 3 & 4 with lunch in the tabletop ballroom on both days and an evening reception on April 3. You'll find floor plans, a tabletop contract with rules & regulations, and a sponsorship & advertising order form in this packet. Companies may select up to two tables. All hospitality will be on the tabletop exhibit floor.
- **PCI's Powder Coating 101 Workshop - Basic Essentials**
This workshop will be held at the Renaissance Orlando at SeaWorld on Monday and Tuesday, April 1 & 2.

Bringing these events together over the course of one week offers everyone in the industry the chance to come together, learn, network, and see the latest in powder coating technology.

Now is the time to review all the opportunities available to your company to gain valuable exposure through the above events. In this brochure, you will find everything you'll need to prepare for your participation in PCI's Powder Coating 2019 including descriptions of all sponsorships. To reserve your tabletop or sponsorship, visit **<http://www.powdercoating.org/Exhibitors>**.

Important Note:

To be included in the *Powder Coated Tough* Jan/Feb issue that will feature the PCI Powder Coating 2019 Technical Conference, you **MUST** return a completed tabletop contract and sponsorship application
